

Deasy School Song

*At the corner of Dosoris and a street called Forest
in a city called Glen Cove*

*We are the Deasy School
And we're one big family
An amazing school
And we want the world to see
We're peaceful and kind to everyone
That's why learning is so much fun
We are the Deasy School
One big family*

*Do you share and use nice words?
Yes! Kindness is our way.
And why are you responsible?
So we're safe throughout the day
How do you treat those you meet
When they talk to you?
We look and listen; we're on a mission
To be respectful, too*

Chorus

*Deasy is our friend, a mascot at school
Helping us learn that Golden Rule
Treat others the way you want to be treated
That what Deasy says
We're peaceful and kind to everyone
That's why learning is so much fun
We are the Deasy School
We are the Deasy School
We are the Deasy School
One big family*
